Subject: Corona Virus Impact

Dear Valued Customer,

I hereby confirm that Kiswire does not use wire rod (raw material) coming from China. Moreover, Kiswire's wire manufacturing sites are all located in South Korea which does not have any impact on Corona Virus.

Kiswire does not foresee any disruptions and delays of our production and deliveries due to Corona Virus.

However, in case of any changes, we will provide detailed feedback to you as soon as possible.

Best regards
