Dear Valued Customers

As the "Corona Virus" is getting a big issue worldwide, we want to express ourselves that our Korea, Malaysia, and Luxembourg Plant has no impact on production and it is operating same as before. Please note that SamHwa Steel do not use Chinese raw materials, so do not worry about any contamination.

Also our employees are taking extra care on sanitariness and body health to prevent the Corona Virus and due to this none of our employees are affected or being suspected as Corona Virus patient.

If you have any questions or comments, please feel free to contact us.

Sincerely,

A handwritten signature in black ink, appearing to read "Seung Rae CHO". The signature is fluid and cursive, with a long vertical stroke extending downwards from the end of the name.
